

# UFO Ballistic NailScrews® for Fencing

Cdn. Pat. [2,648,647] / US Patent #9,291,183 B2, #10,865,824 B1, & Other Patents Pending

*Screws that install with a pneumatic nailer.*

Regardless of your fence material, there is a Ballistic NailScrew® for the job. Increase production by up to 123%. PT2000® Coating on our Wire Coil and PPG1500™ offer superior corrosion resistance. PPG1500™ allows color matching for your projects. We currently have brown, cedar, gray, and tan in stock. Use an air, gas, or battery pneumatic tool to install.

1½" x .113 Plastic Sheet  
Coil Shot Through ½"
